

Coastal's Civil Division Manager Elected President of Local MALSCE Chapter

Orleans, Massachusetts – Coastal Engineering Company, Inc. (CEC) is proud to announce the election of Martin “Reggie” Donoghue, P.E., as President of the Cape Cod Chapter of the Massachusetts Association of Land Surveyors and Civil Engineers (MALSCE).

For more than 40 years, MALSCE has been working to enhance the status of the land surveying and civil engineering professions through a variety of technical programs and educational seminars. MALSCE has almost 700 individual members in five chapters throughout the state of Massachusetts.

Mr. Donoghue will preside over the Cape Cod Chapter, which includes Barnstable, Dukes and Nantucket Counties. Reggie has been a member of MALSCE since 2005, and is also on MALSCE’s Board of Directors and a member of the association’s Proprietors’ Council.

Coastal Engineering is a leading provider of civil, structural, and marine engineering and land surveying services for commercial, residential, and municipal clients throughout Cape Cod, the Islands, and Southeastern Massachusetts.
